11:40 - 12:30 **Panel Discussion – Creating Employee Centred and Effective Workplaces**  
 Moderator: Peter Brogan  
 Panellists: Vanessa Tierney, John McGinley, Peter Brogan

12:30 - 14:00 **Exhibition Viewing**

14:00 - 14:30 **I-SEM Irelands Electricity Market – Energy Trading for Large Energy Users**  
 Deirdre Fitzpatrick, BDM, Cenergise

14:30 - 15:00 **Mitigating Business Risk through Energy Efficiency**  
 Charles Robinson Associate Director - Green Energy Solutions

15:00 - 17:00 **Exhibition Viewing**

17:00 - 18:30 **Networking Reception**

**Health & Safety Stream**  
 Hosted by IOSH Ireland East Branch

**Conference Room 1**

Chair: Herbert Mulligan, Editor, Health & Safety Review

10:15 - 10:45 **Managing Chemicals Safely**  
 Michelle McDermott, Chemicals Inspector, H.S.A.

10:45 - 11:15 **Managing Asbestos Safely**  
 Dr Paul Foran, OHSS

11:15 - 11:45 **PPE and Handling Chemicals – RPE and Face Fit Testing**  
 Mr. Lee Morton, Head of Brand Development, ARCO

11:45 - 12:00 **Q & A Session**

**Security Conference**  
 Hosted By: Irish Security Industry Association (ISIA)

14:00 - 14:25 **Fire and or Escape doors, minimum performance standards and legal obligations**  
 Patrick Jefferies Technical Expert UK & Commercial Director, ABLOY UK

14:25 - 14:50 **“The Risk associated with Subcontracting Security Services”**  
 Martin Stairs, Consultant, Security Consultants Ltd

15:15 - 15:40 **Why Irish FM Companies are improving their Mobile Device Security**  
 Seamus Flynn, BDD, CWSI & Colm Warner, Mobile Solutions Architect, CWSI

16:05 - 16:20 **Q & A Session**

**Fire Safety Theatre**  
 Hosted by the ASFP

10:30 - 11:00 **Changing Culture in Fire Safe Construction**  
 David O'Reilly, ASFP Ireland

11:00 - 11:40 **The Fire Safety Task Force Report & Its Implementation**  
 John Barry, Senior Assistant Fire Advisor

11:40 - 12:20 **Fire Strategy Design, Implementation & Management**  
 Michael Slattery, Michael Slattery & Associates

12:20 - 12:50 **The Rights & Wrongs of Fire Stopping with Practical Demonstrations & Videos**  
 ASFP Stand F10

12:50 - 13:00 **Panel & Group Discussion**  
 Panellists TBA

13:00 - 13:30 **Practical Demonstrations on Correct Installation of Fire Stopping**  
 ASFP Stand F10

13:30 - 14:00 **Exhibition Viewing**  
 in the Exhibition Hall

14:00 - 14:50 **Creating a Cable Pathway Through a Building**  
 Paul Martin, Legrand

14:50 - 15:30 **No Time for Down Time**  
 Ian Kelsall, Fire Protection Specialist, 3M United Kingdom Plc

15:30 - 16:00 **Why Can't We Escape From Buildings Using Light From Our Phones**  
 Alan Daniels, Technical Director – P4

**Soap Box Theatre Programme**

09:50 **Safety Advice when Visiting Clients**  
 Aaron Fulton - Guardian24 Ltd

10:15 **Electrical Energy Efficiency for Businesses**  
 Julian Grant - Chauvin Arnoux UK

10:40 **Firestopping and Compartmentation Systems**  
 Matt Metcalfe - FSi Passive Fire and Compartmentation Systems

11:05 **Complacency**  
 Paul Mahoney - Paul J Mahoney Inspiring Safety Ltd

11:30 **Fire / Health & safety Training – Apex Fire Limited**  
 Brian Dempsey - Apex Fire Limited

11:55 **The New Size of Clean – Killis Ireland**  
 Maricia Killi - Killis Ireland

12:20 **LED Lighting in the Cleanroom and Controlled Environments**  
 Eric O'Leary - LEDspan

12:45 **Sustainable washroom solutions for the FM sector**  
 Donal O'Brian - ILLE - German washroom solutions

13:10 **Environment Monitoring To Protect Your Facility**  
 Michael Sigourney - Room Alert

13:40 **The New Age of Workstation Assessments**  
 Brian Crinion - Spectrum Optimise

14:05 **Why and Where to Choose Wireless Fire Detection Systems**  
 Paul Parkes - TEE Fire Safety Solutions

14:40 **Dealing with rising volumes of packages and parcels**  
 Senel Sowerby - Neopost

15:05 **Title TBC**  
 Ciaran Duignan - Hoistech Ltd

15:25 **Creating a Safe Forklift Environment – Innovations and Advancements in Forklift Safety Measures**  
 Ciaran Miller - Linde Material Handling (Ireland) Ltd

15:45 **Connected Reliability for FM**  
 Paraic O'Lochlainn - Fluke Corporation

DAY 2 Wednesday 6 March

**FM Stream The Work Space & The Working Environment**  
 Hosted by SCSi & IWFM

**Conference Room 2**

Chair: TBC

10:00 - 10:25 **Industry 4.0 : How workplace professionals can leverage technology to create amazing places to work, play and learn...**

 David O'Reilly, IFE Branch President & IGA Representative

10:40 - 11:10 **KEYNOTE PRESENTATION “Fire Safety Management”**  
 Brian Bourke, Forward Fire Engineering & IFE Forum

11:15 - 11:40 **Experiences with Licencing Act**  
 Frank Kenny, Kenny Keane Architects

11:45 - 12:10 **Experiences with Gas Safety**  
 Colin Gamble, CMG Consulting

12:15 - 12:40 **Fire Safety Measures and the Environment**  
 Jane Kennealy, Environmental Protection Agency

12:40 - 14:00 **Exhibition Viewing**

14:00 - 14:20 **Up-date on the review of Fire Detection and Alarm standard**  
 Joe Walsh, National Standards Authority of Ireland

14:25 - 14:55 **Understanding Sound Pressure Levels in flats and apartments**  
 Edward Eaton, Director - Leinster Fire Safety Ltd

15:00 - 15:30 **Installation and Maintenance of Ductwork**  
 Speaker TBC - Ark Air

**Soap Box Theatre Programme**

09:50 **Safety Advice When Visiting Clients**  
 Aaron Fulton - Guardian24 Ltd

10:15 **Fire Door Inspection & Maintenance explained**  
 Darren Coogan - Fire Doors Inspections

10:40 **Electrical Energy Efficiency for Businesses**  
 Julian Grant - Chauvin Arnoux UK

11:05 **Complacency**  
 Paul Mahoney - Paul J Mahoney Inspiring Safety Ltd

11:30 **The Benefits of LED Lighting for Businesses – Royal Limited**  
 Tom Hefferon - Royal Limited

11:55 **Firestopping and Compartmentation Systems**  
 Matt Metcalfe - FSi Passive Fire and Compartmentation Systems

12:20 **Fully Automatic Self Testing Emergency Lighting**  
 John McCalister - P4 Limited

12:45 **Creating a Safe Forklift Environment – Innovations and Advancements in Forklift Safety Measures**  
 Ciaran Miller - Linde Material Handling (Ireland) Ltd

13:10 **No Time for Down Time**  
 Ian Kelsall - 3M United Kingdom Plc

13:40 **The New Age of Workstation Assessments**  
 Brian Crinion - Spectrum Optimise

14:05 **Case-study: Anti Legionella Panel Showers in Local Authorities**  
 Derek Pearce - T-Safe

## NEW FOR 2019

### Fall and Arrest Demonstration Area

IKAR are proud to host live demonstrations showcasing the latest equipment and techniques for height safety and rescue. These will include demonstrating various working methods; permanent attachment movement; rescue systems for lowering a casualty and rescue lifting kits.

**Demonstrations will take place at 11.00, 13.00 & 15.00**
